- Help your ward to learn new English words and try to give them instructions in English.
- Please allow your ward to play outdoor games in the evening instead of playing games on mobiles and computer.
- Get some story books and colourful pictures books for your ward.
- Use golden words regularly with your ward like sorry, please, thank you, excuse me etc.
- Have atleast two meals together with your child. Teach them the importance and hard work of the farmers and ask them not to waste their food.
