

SANT NIRANKARI PUBLIC SCHOOL, FARIDABAD

SUMMER VACATIONS HOME WORK

CLASS –III

Holidays are always welcome as they refresh us, rejuvenate us and rejoice us. It is a time when we learn something new and something extra from our curriculum. Let us all unite and learn.

- Encourage your child to teach children of your maid or gardener. Click 1-2 photos with them and also attach the paper, which shows what he/she taught them.
- Talk to your child openly regarding social evils prevailing in the society.
- Make a habit of your child to get up early in the morning, go for morning walk and exercise with them. If possible go for swimming also.
- Encourage your child to join any competitive/skill class (dance, music, drawing, handwriting, sports). It's not necessary to win but always welcome to learn something.
- Listen news in Hindi and English on News channel for half an hour daily.
