**SUMMER VACATIONS HOME WORK**

**CLASS –VII**

**GENERAL INSTRUCTIONS:**

Dear Parents,

Warm greetings,

As you know vacation are about to start. So, let's share some tips to make this vacation a fruitful and happy period for your kids.

- Have at least two meals together with your children. Teach them how important food is to us so, they should not waste it.
- Let them wash their own plates after every meal. Let them learn the dignity of labor.
- Allow them to help you in kitchen chores and keeping the things properly in house.
- Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child.
- Encourage your child to water the plants daily and tell them that how much plants are important in our life.
- Share some good and religious stories with them.
- Get some story books for your kids and make them to read also.
- Make a time table for them and fix their timings for watching TV, playing and for studies.
- As parents, it is important to invest your time with them now. With Good wishes for a marvelous vacation.
